## Class of 2025

## Outstanding IEB Results

Several notable achievements were recorded by the Class of 2025, including 8 pupils achieving 8 distinctions each, a remarkable 30% of the Class of 2025 achieving four or more distinctions, 28% of the Class achieving an A average, and over 70% of the Class achieving an A or a B average.

One pupil made the IEB's "Outstanding Achievement List" (achieved within the top 5% in 6 or more Subjects and achieved a distinction in Life Orientation). Some of these achievements are highlighted below.

Kearsney has a proud reputation for balance, and we are delighted that our academic excellence is similarly broad-based. One hundred and eight Kearsney boys sat for the IEB NSC exams, and the average aggregate was 74%. Six subjects achieved distinction rates above 50%, and three-quarters of the boys achieved at least one distinction.

Kearsney's number one priority is academic excellence. Kearsney boys are immersed in an academically rigorous and inspiring environment from day one and quickly develop academic ambition and drive. This culture of academic striving, in a disciplined environment, supported by our highly qualified, professional and dedicated teachers, empowers the boys to reach their true potential.
